# Why vote Lib Dem?

One of the comments we hear a lot is "Lib Dems, aren't you part of the Tories now?" The answer in to that is emphatically no! We are a distinct Party with our own principles and policies, standing up for you the people. Being in a Coalition with any party, at either national or local level, means that both sides have to make compromises. For Lib Dems, we are willing to do this to make sure that we have a stable government. Yes there have been some policies that we don't like but 75% of policies our 2010 Manifesto are either already implemented or on the way to being implemented. This has meant:

- rises in the Tax Allowances so 24 million working people on low and middle incomes pay less income tax (and those on the lowest pay are taken out of paying tax altogether), with more rise in the Tax Allowances to come next year
- a triple lock of Old Age Pensions that mean a minimum rise of 2.5% every year & even more if inflation or average wages go higher,
- extra money to schools to help disadvantaged students (£448 for every pupil on free school meals),
- the biggest expansion in apprenticeships since the second world war,

and much, much more.

This is why we are in Government, not to keep Tories in power but to help you and your family, in spite of the Tories, doing what Labour promised but failed to deliver.

# **A message from Leon Duveen, the Liberal Democrat Candidate for Worksop South.**

Over the last year I have been working as hard as I can for the Worksop South Ward. You will all know about my campaign on the Bus Station and I hope that we will soon be getting the facility we deserve here in

Worksop. I have also been reporting empty houses around the Ward to the Council and a number of them are now being brought back into use as family homes, some after decades of standing empty. I have also been able to help those who have contacted me with other, private, issues.

I have been able to find out what you want done by simply being out and about around the Ward all through the year, delivering leaflets, canvassing and, most important, meeting many of you. If I can achieve this without being elected, just think how much more I can do for the people of Worksop South if you elect me as you councillor on May 3<sup>rd</sup>.

To find out more about me & my campaign, you can follow my blog at <http://leonduveen.mycouncillor.org.uk> or phone me on 01909 514600

## What I will do if elected

- Keep working for a new Bus Station for the Town
- Propose a Town Council for Worksop
- Fight to keep the ticket office at the Train Station open
- Donate 5% of my allowance to a charity in the Ward
- Work for you and the ward before party

Please keep this and hold me to account.

### How you can help make a difference?

One of the differences between Lib Dems and the other parties is we are not just around at elections, we try to keep in contact with you through the year by delivering our Focus Leaflets. Making sure everyone in the Ward gets these leaflets isn't easy but we think it is important. If you would like to help us get our leaflets out, even if it is to just the houses on your street or area, please contact us at [bassetlaw.sherwood.lib.dems@gmail.com](mailto:bassetlaw.sherwood.lib.dems@gmail.com) or on **01919 514600**.

Apart from delivering leaflets, there are many other ways you can help, helping stuff envelopes, displaying posters helping to write the leaflets or just donating to our funds. Just contact us to let us know what you can do. We look forward to hearing from you.
